

The precise leveling in the lateral and longitudinal direction of the bridge - New York

Our BIM team has modeled this Bridge encompassing the structure, pavement, shoulders, curb stones, sidewalk, surface and retaining walls along with nearby site components like traffic signals, light poles and sign boards. Accurate depiction of the model from the Point Cloud Scan along with the precise leveling in the lateral and the longitudinal direction was challenging in this project. The team accepted the challenge and made swift delivery of the project.

Celebrating Monsoon with Tea & Samosa

The gray sky, drizzly weather, wet roads and heavy rains falling like pins on the window; we at ISP enjoyed a stormy evening with Tea and mouth-watering Samosas (a triangular crunchy pastry fried in oil, containing spiced vegetables). People gathered, some people participated in a singing competition and some enjoyed watching the rain from the window. The evening was full of enjoyment.

Postural Awareness Session (ISP Wellness Program)

Under the 'ISP Wellness Program', we conducted 'The Postural Awareness Session' to make our employees aware about the importance of how to align our body/ posture not only while sitting in the office but also in daily routine activities. The fitness coach Karan Joshi conducted the entire session and it was mind blowing. He taught us some exercise to avoid neck pain, back pain and other mobility issues. In today's world of digitalization, we should not forget that our body is equally important as our work.
