Leadership: A Combination of Humility & Strong Will

To get away from the day - to - day operations & to strengthen the leadership, we took our leaders on the off site retreat this time. All these leaders are under age of 30 and drivers of ISP. Filled by some icebreaker activities and skill-building sessions - this Leadership Retreat allowed them to look at the broader picture and set plans and strategies for the future. We dissected Jim Collins' book - Good to Great. Our CEO - Mitesh Smart played a major role in making our leaders learn how to create a vision for the team and inspire others to achieve it.

#ISPTalks

Meet Urvi Sadaria, (Civil Engineer & Yoga Trainer)

With her exemplary performance at ISP, Urvi recently completed her degree in Yoga. She is also a volunteer for the Cyber Crime Community & has also completed sideline courses like Civil Defense and became Redcross certified. Keep smiling Urvi!

Abhinav Patel

Civil Engineer

Say Hello to Abhinav - who works in Civil Department in ISP. When it comes to learning - see what he thinks about ISP

Kite Festival in India

Kite Festival is a popular festival in India and it takes place during the month of January. The festival marks the day the Sun transits into Capricorn zodiac. The festival also marks the beginning of a new harvest season. It has both seasonal and religious significance. It is marked by people flying kites from their terraces and rooftops and kite flying competitions. Kite flying is a tradition that is deep-rooted in Indian culture and the Kite festival is one that is eagerly awaited.

Some Unforgettable Glimpses of 'ISP Annual Meet 2022'

We work hard, we party hard. We at ISP celebrated the continuous efforts put in by our REAL CHAMPIONS of ISP - OUR TEAM MEMBERS. They are the reason that ISP could mark this super amazing evening. ISP thanks each and every one for their positive contribution to the company's growth. We danced, we ate and celebrated the evening till the end. We ended the year with new goals for 2023.
