

MEET ISP

4 WORLDWIDE OFFICES | 250+ CLIENTS | 300+ EMPLOYEES

Since ISP's founding in 2006, we have been dedicated to helping A/E/C firms grow through qualified and cost-effective remote staffing. With an operational division located in India and representative staff in the US, our unique model starts with our state-of-the-art training institute providing ongoing education to our architects and engineers, resulting in exceptional design and services for our clients. We work to achieve huge cost savings and quick turnaround times by leveraging the benefits of a 24-hour international business.

THE ISP ADVANTAGE

- Reduce deadline stress with 24-hour working efficiency
- Grow through cost savings by employing an ISP team at a lower monthly rate and no overhead costs
- Produce high-quality deliverables through exceptional internal quality control and adaption to your standards
- Spend more time on business development and winning new work with a dedicated production team

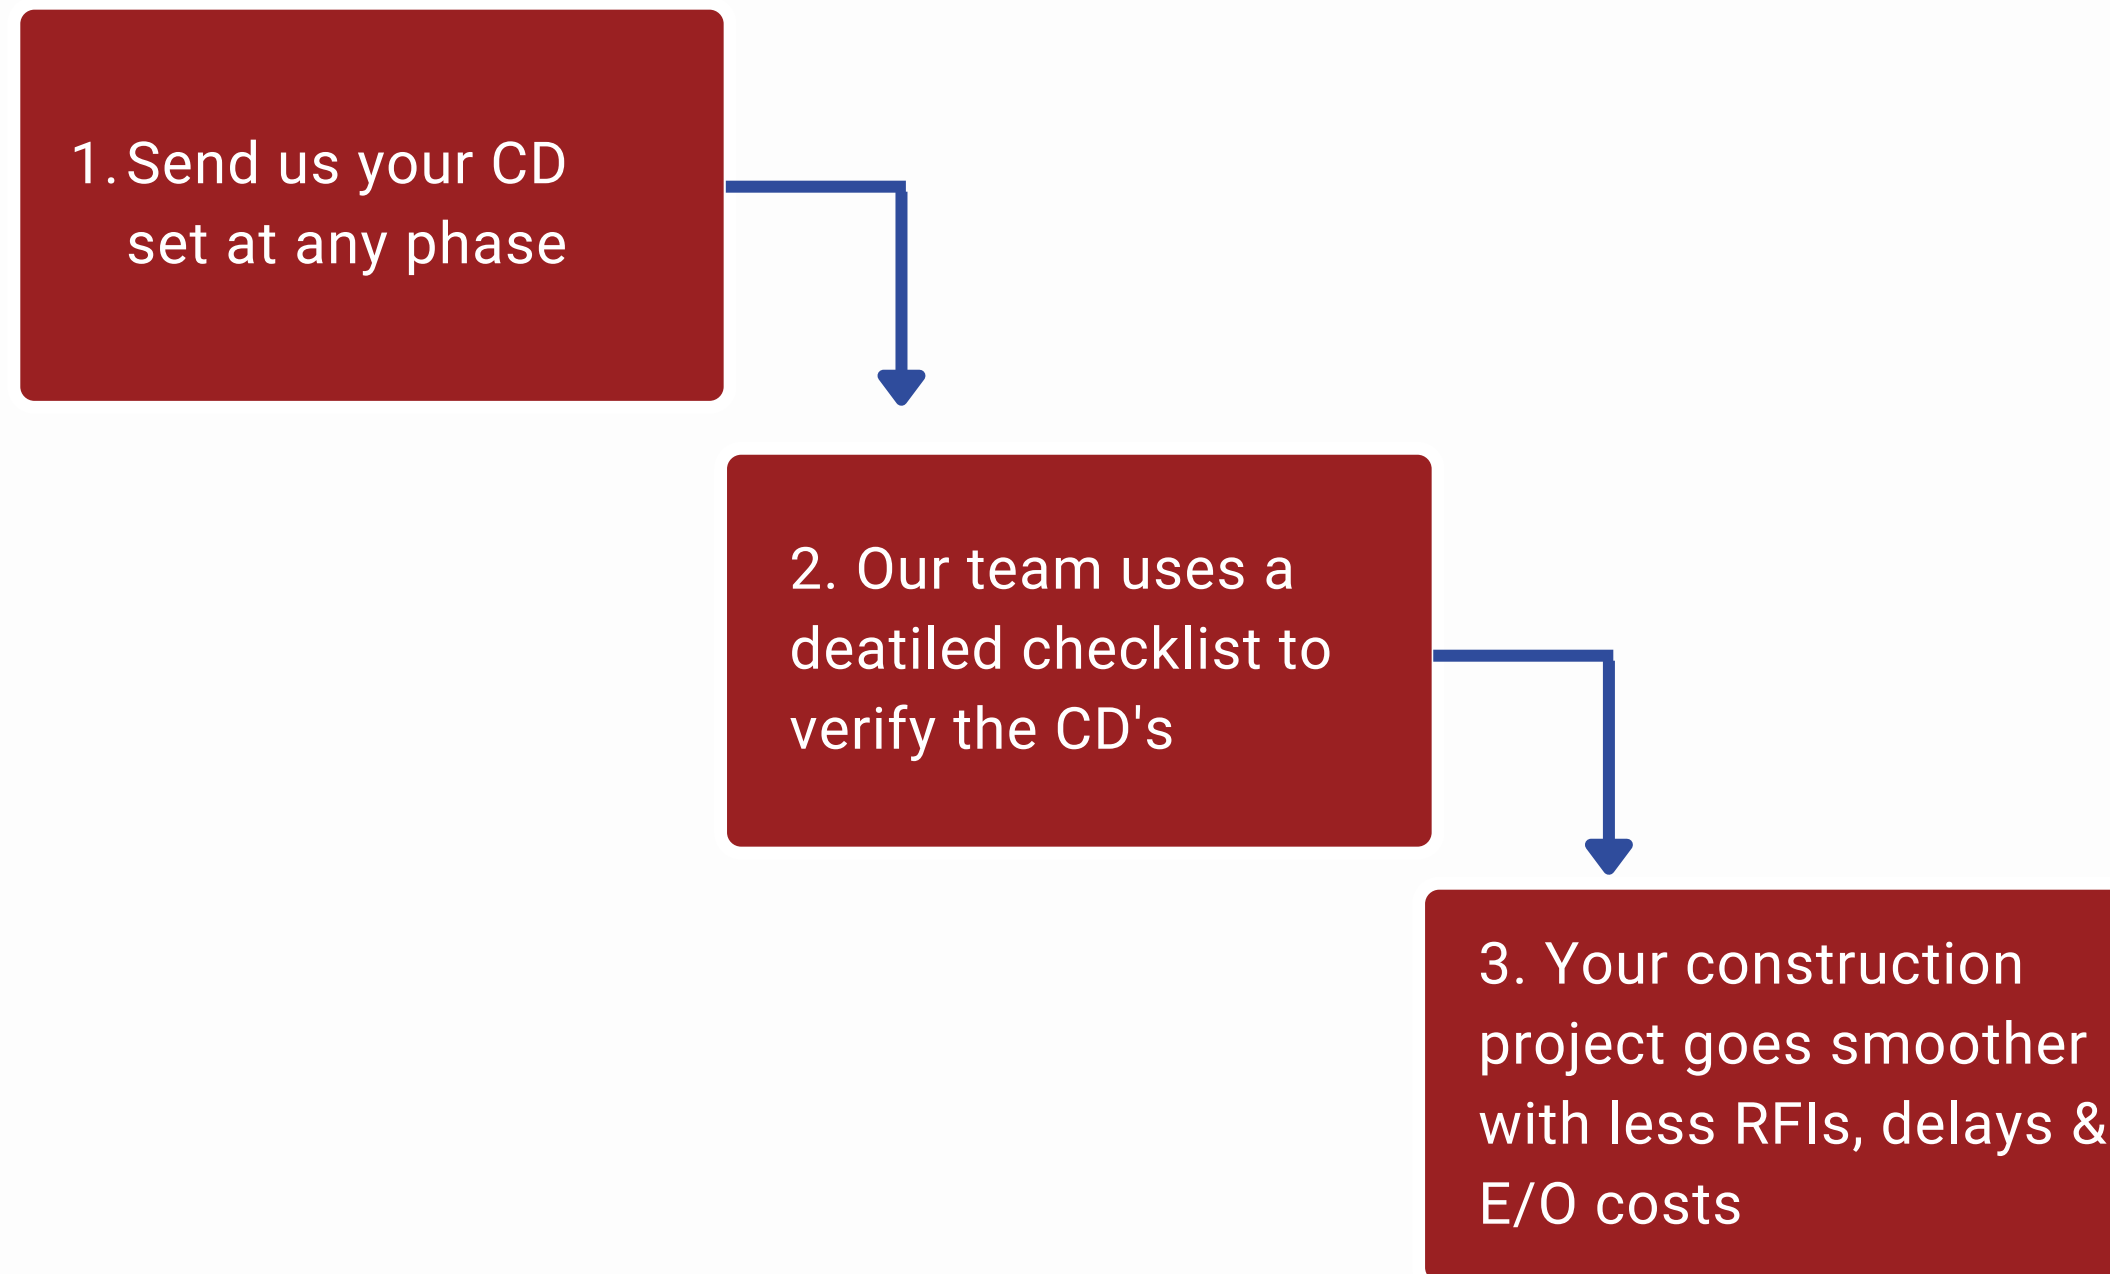

The Value We Provide Starts with Our Team: From recruiting professionals with Engineering degrees at accredited universities to ensuring every designer is certified in AEC tools like AutoCAD, REVIT etc. to providing training in U.S. standards and regulations, our technical expertise consistently exceeds client expectations. We also know the importance of communication when collaborating under tight deadlines. We hire team members with excellent English communication skills and retain an English tutor on staff for further improvement.

3rd PARTY QC

Send your ISP QC Team a complete or interim set of documents from all trades and we will perform a QC using a detailed checklist. The ISP team will send a marked up PDF file along with a spreadsheet of comments for your design team to review and update.

The ISP team has been focused and teachable providing thorough, efficient and reliable service for our project reviews.

- Robert Lambert, Design Quality Manager, Austin Commercial, Texas

We have enjoyed our relationship with ISP and have found them to be a vital partner in our business. They have helped us streamline our operations and have added valuable resources that we have been able to pass on to our customers. We are looking forward to a continued partnership with ISP.

- Russ Cammack, Owner, RB Marks Construction, Inc.

ISP has been a valued partner providing AEC Design services. Teaming with ISP has allowed our firm to expand the quantity of work we are capable of producing all while not sacrificing quality or the ability to meet scheduled deadlines. Our firm looks forward to continuing this relationship for years to come.
